

GIVE YOUR CLIENTS CONFIDENCE

Simplify Sales with a Home Inspection that Delivers More

With Fixle, my reports are fast, accurate,
and provide your clients with a resource
to simplify managing their new home
for years to come.

fixle™

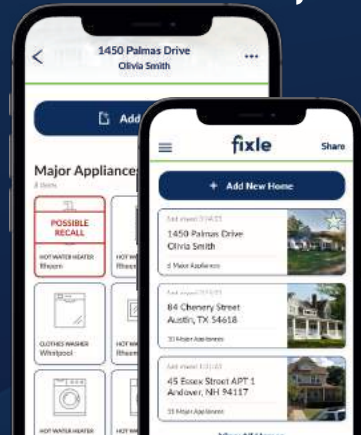

By incorporating Fixle into my home inspections I can provide your clients with comprehensive information about the appliances and systems in their new home. And Fixle's easy-to-use app serves as an ongoing resource to:

- Keep track of all major appliances
- Stay safe with immediate recall notifications
- Quickly access model numbers, manuals, and more
- Keep information secure and confidential

Once the inspection is complete, your client will receive an email from Fixle with a link to download their FREE Fixle app.

**HAPPY CLIENTS.
